COMPOSER FACT CARD

Choose a composer to research from the following options below:

MOZART	BEETHOVEN	HAYDN	BRAHMS

This task is looking for you to be able to research a topic, and then construct your findings **IN YOUR OWN WORDS** into a short report. You can use the school library and the internet to help you find out more about the life of your chosen composer. It would be good if you word-processed your report but you can handwrite it too. Please do not bring a USB to class as if everyone did that, we would spend the whole lesson printing everyone's homework! Remember you can print at LA Launch, the School Library or see your Music Teacher at a lunchtime the day before class.

Happy resesarching!

Create a piece of writing (approximately 100 / 150 words - half a sheet of A4 paper) about one of the composers mentioned above. You will want to include the following:
