4th/5th/6th Year UPDATED Preliminary Examinations

**Monday, 10th January 2022 to
Friday, 21st January 2022**

INFORMATION FOR CANDIDATES

1. From Monday 10th January to Friday 21st January 2022 inclusive, S5/6 pupils need not attend school unless they have an examination.
From Monday 10th January to Thursday 20th January 2022 inclusive, S4 pupils need not attend school unless they have an examination.
On Friday 21st January, all S4 pupils will have a 'Developing the Young Workforce Day', so there will be no S4 examinations on that day.
2. The social area is available if you wish to attend school during study leave and undertake private study.
3. Teachers will tell you where you will be sitting each exam and each day's exam schedule will be displayed on the notice boards on either side of the Assembly Hall. You should check these each day for exam information including **your seat number**.
4. If you have assessment arrangements for any/all of your exams, you will be notified of these, prior to the start of the exams.
5. You should report to the Boys / Girls Gym or examination room **at least 10 minutes before an examination** is due to begin.
6. You are **responsible for bringing all equipment** necessary for the examination. Information about what to bring (e.g. a calculator or a ruler) is noted in the prelim schedule, beside each exam. There is some equipment which you can borrow in an emergency but the expectation is that all pupils will organise what they need to bring each day.
7. You should wear normal school uniform throughout study leave and on examination days. In particular, to aid identification within the school, white shirt and school tie must be visible at all times. It is not acceptable to attend in casual wear.
8. Examinations in the Boys/ Girls Gym can have different starting and finishing times. While any examination is in progress, **silence must be observed** and movement in and out of the examination room kept as quiet as possible.
9. Should you misbehave during an examination, you will be withdrawn from the Assembly Hall or examination room, and your examination paper will be declared void.
10. Pupils on Study Leave must not loiter in the school corridors. If in school, you should be in an examination areas or the social area.
11. If you are unable to attend an examination, perhaps due to illness, then your parent/carer should telephone the school prior to the start of the examination. Principal Teachers can then arrange, to allow you to sit the examination at an alternative time.

12. The lunch break and interval will take place at the usual time during the examination period. S1 – S3 pupils will continue to follow their normal timetable. However, some exams will start during the lunch break or continue into the interval and you should take note of this.
13. Please examine your timetable carefully and inform **Miss Munro** as soon as possible of any clashes of examination times. When this occurs, one of your examinations will be moved to an alternative time during the exam period. It is in your interests to get an alternative date/time arranged, to give you the chance to sit all your prelims.
14. Some of you may have two prelims on the same day – i.e. one subject exam in the morning and another in the afternoon. With so many pupils and a range of subjects to fit in – this is inevitable. Once you know your exam timetable, you need to manage your studying appropriately - particularly if you find yourself in this situation.
15. For some subjects – e.g. Music, P.E and Dance – you will have a date/time for a practical exam during the prelim schedule or immediately before or after it. Information about these arrangements is contained in this booklet.
16. **Normal classes for S4/5/6 will resume on Monday 24th January 2022 at 8.45am.**

Additional Information

Clashing Exams

If you have two exams at the same time, see **Miss Munro as soon as possible (and certainly before the end of term)** to arrange an alternative time for an exam – should it be necessary.

Music and Drama Practicals

Music practicals will take place within the exam diet. Mr McEwan will give you the date, time and location for your practical examination.

Drama practical exams will take place after the exam diet. Again, Mr McEwan will inform you when these will take place.

Practical Cookery Practical exams

These will take place throughout the prelim diet. Check with your teacher when your session is running.

PE Practical Exams

These will mostly take place after the main exam diet. Mr Imrie will give you a time and location for your practical examination.

Dance Exams

These will take place Thursday 20 January during periods 6 & 7. Mrs. Rae will allocate individual performance times for this exam.

Exam Rooms

When an exam is **not** in one of the gyms Principal Teachers will inform you where you should go. Notices will also be on the board near the PE exit and outside the gyms, a day in advance, directing you to the correct room. You should check each board very carefully.
