

Welcome to the first newsletter of the 2023-24 session and a particular warm welcome to parents/carers of S1 pupils for whom this will be your first newsletter. This newsletter covers the first two weeks in August and so will be briefer than normal as we're only reporting on the first two weeks of term.

It has been an excellent start to the session. Our new S1 pupils are a delight and will certainly be a positive asset to the school through this year and beyond. After the first week they have now acclimatised to their new environment and can find their way around the school well without the aid of S3 mentors and they know how to use our canteen facilities and 'Café Latte'. The other year groups have also settled well and we have very high numbers returning to our S5 and S6 cohorts. The school roll started at 1390 but as is customary it settles down as some senior pupils leave for college, employment or to university through clearing and we now have 1367 pupils so the school is still exceptionally busy.

In this newsletter we will update parents/carers on the following:

1. [New staff for 2023-24.](#)
2. [SLT and guidance responsibilities.](#)
3. [Extra-curricular PE clubs.](#)
4. [Extra-curricular Music clubs.](#)

## Extra-Curricular Activities

This year we have 68 extra-curricular clubs and activities in operation across the school. Full details will be posted on the school website. Below you will see details outlining our PE and Music provision. There are also a wide range of other activities in operation every day across the school. It is hugely beneficial for young people to engage in extra-curricular activities. As well as providing opportunities to make new friends, it enables young people to develop a wide range of important skills such as leadership, cooperation and teamwork. I would actively encourage all parents/carers to get their children to join one or more clubs for this session.

## SQA Results

We have had another strong set of SQA results this year from our pupils in S4-6. In S4 there was a slight drop in overall performance but the results remain very positive. This is in line with the national picture and the picture across East Dunbartonshire. S4 pupils across the country were the ones most impacted upon by COVID lockdown and restrictions in the sense that they lost a lot of the fundamental building blocks in S1 and S2 to help prepare them for the Senior Phase when they missed the four months at the end of S1 and had a fragmented experience across S2 and part of S3. This meant that their S4 experience was always going to be challenging.

On a more positive note we had one of the best sets of H Grade results from our S5 cohort over the past 12 years so we were very pleased with their performance, whilst our S6 pupils performed in line with expectations. Well done to all of our Senior Phase pupils on their performance. The 119 pupils who applied to university almost all gained the necessary grades for the courses they had applied for, which is highly positive.

## LACE Celebration of Character 2023 (Lenzie Academy Community Engagement)

Team Platinum are a group of pupils aged 16+ who are working towards their Platinum Youth Achievement Award

They organised the event together with volunteers from across The Senior Phase to form the LACE events Team

The volunteers were organised into working parties and all communicated using Microsoft Teams. This enabled everyone in the Team to work together in their own time and to collaborate on information that was needed for a successful event.

The comperes for the night were Waseem and Ewan from S4. They had been the hosts of the YPI final and had received lots of positive feedback from the parents and charities that had been to that event. #TeamPlatinum's aim is to increase the opportunities for other young people to participate in activities so that they can create a legacy for the future of LACE.

The Celebration of Character is organised around our school values of ambition and inclusion

**Our Values**

- Ambition
- High Expectations
- Continuous Improvement
- Inclusiveness
- Respect
- Tolerance
- Compassion
- Embracing Change

**Our Aims**

- Successful Learners
- Confident Individuals
- Responsible Citizens
- Effective Contributors

To provide a learning environment where every young person is happy, safe and achieving their potential.

Invited guests were encouraged to participate by LACE's hospitality team and to find out more about some of the community groups where pupils volunteer.

Pupils with any wider achievement award were invited and many of them joined in and brought their friends and family.

The Presentation of awards event took place in the assembly hall. There were over 100 friends and family watching 65 pupils gain various awards.

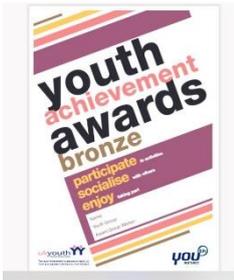

There was a musical interlude where Evans from S6 played a fantastic piece on his violin.

The Approach starts with 10 hours of volunteering and we had Saltire Awards for Volunteering with over 6000 hours undertaken.

Pupils were presented with Youth Scotland SCQF awards levels 3 & 4

Dynamic Youth Awards

Idea - Bronze award for digital & enterprise education

Duke of Edinburgh Awards

Mrs Davidson explained the Provost's Community Champion award and why she nominated Sarah for the young volunteer category. Sarah was then officially presented with her certificate.

The evaluations of the event are being sent out so that next year's event can be even better

LACE events are now planning The Big Scottish Breakfast in conjunction with STV, to raise money for their Children's appeal on the morning of 15th September. STV approached the S4 YPI group in June to see if they would be willing to participate.

#YPI15 YPI National Event 2023

All pupils have been sent a survey on their year team to discover the ways this breakfast can bring the school community together to raise money for children in poverty.

#withothersandforothers

## Breakfast Club

This year we will again have our canteen open from 08.20am for all pupils should they wish to have breakfast in school. Café Latte is also open every morning from 08.00am for pupils and staff. For parents/carers from more challenging socio-economic backgrounds we can provide free breakfast or a free snack at morning interval. We will issue a letter to all those eligible in the near future and should you wish to take up this offer please contact your child's guidance teacher or Ms Provan, Principal Teacher (PEF), who will facilitate this

## Lenzie Academy Parent Teacher Association

We have a terrific PTA, who raise funds for resources for the pupils of Lenzie Academy. Below is some information about who they are, what they do and how you can get involved.

Hello and a warm welcome back to all the Children, Mums, Dads, Grans, Grandpas, Friends & Staff at Lenzie Academy. A very special hello to all the new children & parents of the school from Lenzie Academy PTA. Hope you all had a great summer.

### Who The PTA Are, What We Do, How Much We Raised & What We Bought

Lenzie Academy PTA are a very small & friendly group of parents & teachers who work hard organising fundraising events to raise much needed funds for all our children at Lenzie Academy. All the money raised from these events go directly to the school.

We had yet another brilliant year, last year, with lots of fun events. We held a Ceilidh, a Race Night, 3 Raffles, an Alternative Fundraiser, a Sponsored West Highland Way Hike and a Doughnut sale. These events along with money raised through The 500 Club & Easyfundraising raised an amazing £8887.51 altogether!!!

With this fantastic amount of money raised by you we have bought the following huge range of resources in the last year, enhancing our children's education & experiences at school;

- PE Department - £306 for Awards & £1000 donation towards the Breakfast Club, Football Academy & Dance Academy
- £400 - S2 Science Fair
- £500 - S1 Bounce back day
- Health Food & Technology Department - £880.80 for Chef Equipment
- Design Technology & Computing Department - £250 for Equipment
- Support for pupils - £376 for Books and Arts & Crafts Equipment
- Geography - £434 for Field Work Equipment
- Trophies & Engraving - £330
- Library - £214.72 for Books
- Art & Design Department - £255 for Equipment
- Folders for New S1 Pupils - £600

That equates to a grand total of £5,546.52 spent last year alone.

Hopefully, with your help, we will be able buy even more great resources this school year. There are quite a few things we already would like to buy. We will keep you posted...

## How You Can Help

**WE NEED YOU** to help us. You can do this in many different ways; come along to a meeting, send in ideas, be an event helper, make a donation and come to as many of our events as possible. We will send out requests for help, events & meeting notices throughout the year. We know that you can't help every time but if everyone helps a little bit we can make such a difference to all our children. Just do what you can.

Here are some easy ways you can support the PTA;

- 1. Donation** - You can do send a donation either
  - Via PayPal by going to the PTA website [www.lenzieacademypta.org.uk/](http://www.lenzieacademypta.org.uk/). Then click on "Donate" at the right hand side of the page. Please remember to type in your name in note section of PayPal so we know who the payment is from and select "Sending money to friend or family" option so no fee is charged to the PTA for your donation.

Or

- You can send a donation by via electronic bank transfer to the following:  
Account name; "Lenzie Academy Parent Council - FOLA 125"  
Sort code; 87-37-71  
Account Number; 83405360  
Include your name as the reference

All donations big or small are greatly appreciated, however, we know how difficult things are for everyone right now, so please only donate if you can.

**2. Join the 500 Club** - A monthly draw with 2 cash prizes. This is our main fundraiser, where you can donate between £2 and £10 by monthly standing order to be in with a chance to win. New applications always welcome. The more people who join, the bigger the monthly prize fund & the more we raise for all our children at Lenzie Academy. So why not ask friends and family to join too?

It is really quick & easy to join. Just go to [www.lenzieacademypta.org.uk/500-club/](http://www.lenzieacademypta.org.uk/500-club/) to join today. For more information, please see the flyer in the following pages.

**3. Easy Fundraising** - Please remember when shopping online you can raise money for Lenzie Academy at NO COST TO YOU! Lenzie Academy earns cash donations when people register to support us and shop online through the site. It's a really simple process, all you have to do is go to [www.easyfundraising.org.uk/causes/lenzieacademy](http://www.easyfundraising.org.uk/causes/lenzieacademy) every time you shop online. For more details, again please see the flyer attached.

**4. Buy Tickets to our Fundraisers.** - Please come along to as many of our events as possible. We recently held a Race Night but unfortunately only 20 parents came along on the night. **We really need more parents to support our events** to help us help all our kids & raise much needed money for Lenzie Academy.

**5. Raffle & Tombola Donations** - Every so often we request raffle prizes to be donated to help raise funds. The kids can either drop them in to the PI room or adults can drop them in to the school office. Please help by donating when you can.

**6. Buy Raffle Tickets** - We organize raffles and have ran a couple of online raffles for the first time last year. This makes it is even easier for you to win some fantastic prizes as well as help raise money for our school.

**7. Buy Doughnuts** - Doughnut Day is organized at the end of the school year. We sell Doughnuts as a wee treat for everyone but also as a final fundraiser. Boxes of Doughnuts can be pre ordered online but we also sell individual doughnuts to the pupils in school. Last year we ordered them from a small local business & the doughnuts were iced in our school colours. They were delicious!

**8. Join the PTA.** - WE NEED YOUR HELP! We only have a very small number of parents who regularly attend our meetings & help at events so urgently need new PTA members. We meet monthly, for 1 hour, to discuss how to raise money and how to spend it. It is good fun, we are a friendly bunch & everyone is welcome. So why not get involved & join us? Please get in touch either by sending an email to us at [lenzieacademypta@gmail.com](mailto:lenzieacademypta@gmail.com) or PM us on Facebook at [Lenzie Academy PTA](https://www.facebook.com/LenzieAcademyPTA)

## Edinburgh Children's Hospital fundraiser

One of our pupils, Elliot in S6 let us know she was involved "30 people from various pipe bands across Scotland get together to raise money for various charities. We are called Pipe band aid and I am part of the drum corps. On Saturday (1st July) we marched down the Royal Mile and did pub crawls in both the old and new town of Edinburgh and we raised £4,729.52 for Edinburgh Children's Hospital Charity! This was £1000 more than our last fundraiser". Well done Elliot!

## Senior Phase Partnership Programme and Foundation Apprenticeships

Each session Lenzie Academy takes part in East Dunbartonshire's Senior Phase Partnership Programme. The programme offers young people a wide range of vocational options at varying levels via our college partners. In addition to this, students who have applied for a Foundation Apprenticeship spend 2 days out of school with their time split between college and later in the session, a work placement. These courses are accredited by the SQA and provide young people with the skills, knowledge and experience specific to the option subject and industry sector it represents.

Across S5/6 and both programmes we have over 40 students involved this session, enhancing the experience and opportunities of our school community.

## MCR Pathways

We are the first school in East Dunbartonshire to have the new programme MCR Pathways running. Our MCR Pathway Co-ordinator, Claire, is here to promote Motivation, Resilience and Commitment in our pupils through a variety of fun and innovative methods and provide a friendly face around the school. We are excited to expand this in the months to come

## Coaching Academy

Mr Smylie is starting a coaching academy for Senior pupils who are interested in building their leadership skills through sport.

The academy is an interactive course that will run after school for 8-weeks, teaching pupils the basics of coaching and giving them the opportunity to put into practice what they have learned by leading small parts of sessions.

Pupils will have the opportunity to lead after-school clubs within Lenzie Academy or in feeder primary schools once they have completed the course.

Spaces are already limited, so any pupils interested should see Mr. Smylie in the PE department as soon as possible.

## Developing the Young Workforce 2023 – 2024

Developing the Young Workforce (DYW) works to ensure that all young people at Lenzie Academy have a work relevant educational experience. The DYW department aims to bridge the gap between the world of work and school. Miss Gibbons (PT of DYW) and Mr McClune (Deputy Head in charge of DYW) have organised a range of events this year to support the young people at Lenzie Academy and offer them a wide variety of exciting opportunities.

Already this year, our senior students have been offered the chance to apply for a work insight week with Morgan Stanley and participate in an event called 'Step into Finance' at Strathclyde University. We also have a range of opportunities coming up including a 'Step into Stem' event, an upcoming partnership with AG Barr and the opportunity to attend a Q and A with a civil engineer. We ask that all pupils monitor the DYW section of their Teams page for regular updates and new opportunities.

We can also announce that we will be having a 'DYW Pathways' event for the pupils, parents and carers of S3 to S6. You will have the opportunity to hear about the different options that are available on leaving school be that an apprenticeship, job, college course or university course. There will also be a variety of local employers there to discuss routes into their career and to offer students and parents/carers advice for how to achieve their goals. This will be taking place on the 15th of February 2024.

If you have any questions or would like to collaborate with the school in any way, please get in contact with either Miss Gibbons or Mr McClune.
