

## **BMX**

Austin Goldberg (New S2) finished his UK National racing on a high making his first ever B final on the final Round of the Series in Telford over the Summer 2016. An amazing achievement for Austin who has developed so much this year. He came 2nd in the Scottish Regional BMX Summer Series at the weekend narrowly missing first place by just 1 point. He's looking forward to racing the Brits then the Scottish Open in September then it'll be hard winter training to be ready for next year's racing.
