

Lenzie Academy

4th, 5th & 6th Year

January Assessment Timetable

9th January 2025 to 22nd January 2025

INFORMATION FOR CANDIDATES

1. From Thursday 9th January 2025 to Wednesday 22nd January 2025 inclusive, S4-S6 pupils need not attend school unless they have an assessment. The social area is available for those who wish to attend school and undertake private study during the school day.
2. Pupils will be informed of assessment rooms in the following pages. Pupils with assessment arrangements will receive details from Mrs Lennox.
3. Pupils should report to the Gyms or assessment room **at least 10 minutes before an assessment** is due to begin.
4. Pupils are responsible for bringing all equipment necessary to the assessment. **No mobile phones or smart watches are allowed in assessments. Should you forget and bring a phone you must hand it over as you enter the assessment.**
5. Pupils should wear normal school uniform to assessment. In particular, to aid identification within the school, white shirt and school tie must be visible at all times. It is not acceptable to attend in casual wear – pupils will be sent home. You must wear uniform, when in school, even if you do not have an exam that day.
6. Assessments Examinations in the Gym Halls can have 3 different starting and finishing times. While any assessment is in progress silence must be observed and movement in and out of the Gyms kept as quiet as possible.
7. Should pupils misbehave during an assessment, they will be withdrawn from the Gyms or room, and the result of their assessment will be declared void.
8. Pupils on Study Leave must not loiter in the school corridors. **If in school, pupils should be in assessment areas or the social area.**
9. Should any pupil be unable to attend an assessment, through illness or otherwise, then the parent/carer should telephone the school prior to the assessment taking place. Where possible arrangements may be made by Principal Teachers for pupils to sit the assessment at an alternative time.
10. The lunch break and interval will differ during the assessment period. **However, some assessments will start during the lunch break or continue into the interval and pupils should take note of this.**
11. **Please examine your timetable carefully and inform Mr Farquhar as soon as possible of any clashes of assessment times. Where this occurs, one of the assessments will be moved to an alternative time.**

12. There are times when pupils have two assessments on the same day. Due to the condensed nature of the January assessment diet this is unavoidable. However, if you discover you have three scheduled for the same day contact Mr Farquhar who will rectify this. Please contact Mr Farquhar should any difficulties occur.
13. Normal classes for S5/6 pupils will resume on **Thursday 23 January 2025**. Details of arrangements for S4 who have not arranged work experience will be confirmed beforehand.

Special Notes

Clashing Assessments

If you have two assessments at the same time, see Mr Farquhar to arrange an alternative time for one assessment.

HFT/ Cookery Practicals

These will take place out with the main assessment diet during the week beginning 27th January 2025. Miss Walls will give you a time and location for your practical assessment.

Rooms and seats

Where an assessment is not in the Gyms either for the whole exam or for some people sitting the exam (where there are large numbers), information will be found on the seating lists posted each day. Notices will also be put on the board outside the assembly hall a day in advance directing you to the correct room.

Pupils must sit the exam in the seat indicated on the seating schedule that will be posted at the back door each morning.

Complete the following table to produce your own assessment timetable.

NAME: _____ **Guidance Group:** _____

[illegible]

DATE: DAY ONE Thursday 9 January 2025

SESSION 1: 8.50-10.50

Subject	Paper	Times	Room
