Dear Parent /Carer

**CHANGES TO THE PRICE OF PRIMARY,  
SECONDARY SCHOOL AND EARLY YEARS LUNCHESES FROM APRIL 2018**

Facilities Management would like to inform you of the increase to school meals effective from 23<sup>rd</sup> April 2018.

East Dunbartonshire Council, Facilities Management is committed to providing healthy, nutritious and good value meal options for school lunches.

The cost of a Primary and Early Years, 2 course meal plus a drink is now £2.34 and this consists of:

- Choice of Homemade Soup or an Everyday item (as specified on the menu), a Main Meal with potatoes, vegetables or salad, bread and a drink.
- A Primary school Hot or Cold Snack meal plus an Everyday Item and drink is now £2.08 and can be purchased with potatoes and vegetables for £2.34.

A Secondary School 2 course meal, Soup and a Main Meal, Soup and a Dessert or Daily Meal Deal is now £2.44.

East Dunbartonshire's school and early year menus conform to the The Health (Promotion and Nutrition) Scotland Act 2007. Where the opportunity arises, Facilities Management will endeavor to use Fair Trade, Organic and Sustainable products and all our eggs are from cage free hens. In addition, our meat and poultry all conform to UK Welfare Standards.

We constantly work with our suppliers to procure the best produce available for our menus.

This price change will not affect pupils who receive free school meals as the allowance will be increased to cover the meal option.

Families on low income or who are in receipt of benefits, may be entitled to free school meals. Applications for Free School Meals can be made at any time throughout the year and free meals will be provided from the date the application is received.

If you wish further information on the School Meal Service, please contact Facilities Management on 0300 123 4510.

We appreciate you continued support for school meals.

Yours sincerely

**Wendy Anderson**
